Coming from the North, take I-35 south to Temple. Take exit 299 for Loop 363/190E and all hospitals. Go left over the highway and follow the highway to the 31st street exit and continuing on the outer road to the stop light. Drive carefully, as there is a lot of construction throughout the area here. Turn left at the light and go down to the Scott and White Emergency Room sign and take a right. Take a left on Scott and White Emergency Blvd and follow it to the conference facility which is directly across from the ER.

Coming from Killeen, take highway 190 to Temple. Take exit 299 and stay on the outer road to the stop light. Drive carefully, as there is a lot of construction throughout the area here. Turn right at the light and follow the highway to the 31st street exit, and continuing on the outer road to the stop light. Drive carefully, as there is a lot of construction throughout the area here. Turn left at the light and go down to the Scott and White Emergency Room sign and take a right. Take a left on Scott and White Emergency Blvd and follow it to the conference facility which is directly across from the ER.

Coming from Austin, take I-35 north to Temple. Take exit 299 and stay on the outer road to the stop light. Drive carefully, as there is a lot of construction throughout the area here. Turn right at the light and follow the highway to the 31st street exit, and continuing on the outer road to the stop light. Drive carefully, as there is a lot of construction throughout the area here. Turn left at the light and go down to the Scott and White Emergency Room sign and take a right. Take a left on Scott and White Emergency Blvd and follow it to the conference facility which is directly across from the ER.
