

Momentum is rocket science! >>>>>

$$r_{\text{cm}} = \frac{m_1 r_1 + m_2 r_2 + \dots}{m_1 + m_2 + \dots} = \frac{\sum_i m_i r_i}{\sum_i m_i}.$$

## Membership Momentum is EASY!

No complicated formula here. Every member who renews by March 31 is eligible to win this cool Toastmasters portfolio.

Renew your dues between March 1 and March 31 and your name will be put into a drawing. There will be FIVE winners from each Division. That's a total of 35 winners! Don't lose your momentum. Keep your club moving forward! Renew early and renew often!
