

Robi Ley, DTM

District Director

District 25

EMAIL: robiley@d25toastmasters.org

To Whom It May Concern:

Toastmasters International is a non-political, non-religious, non-profit organization dedicated to developing **Communication** and **Leadership** skills.

Each spring an annual conference is held to enhance the Communication and Leadership skills that an employee of your organization is already developing at a local Toastmasters club meeting. I invite your company to show your support for the value Toastmasters brings to your employee and to your organization by sponsoring his or her attendance. Our next annual conference will be held **May 3-4, 2019** at the Sheraton DFW Airport Hotel in Irving.

When your employee attends this conference, they have the opportunity to attend educational seminars led by high-caliber speakers and presenters in the areas of Communication and Leadership.

Enhanced personal and professional growth translates into higher-quality contributions to your organization. We urge you to assist any of your employees who are members of a Toastmasters club to attend this conference. This is a tremendous value when compared to other training and improvement seminars, and their personal growth in Communication and Leadership skills will be of long-standing benefit both to them and to your organization.

Thank you for your support of the Toastmasters program. If you would like more information regarding the Toastmasters District 25 conference, please visit our website: www.d25toastmasters.org/conference.

Sincerely,

Robi Ley, DTM
District Director, District 25
