The following is a guideline for clubs Vice President Public Relations

1. Pat yourself on the back for deciding to take on this exciting role.
2. Attend TLI schedule on website.
3. Read the “[Let the World Know Manual](#)” and “[Brand Mana!](#)” I would suggest making a folder and having both of these handouts readily available.
4. Review the [VPPR](#) Club Officer and other materials. and attend a D25 VPPR Training at TLI
5. Determine if your club has FreeToastHost site. If you do then update should be made to information. If not then see [LINK](#) for how to request and get started.
