

**Marcheta Gardner**

**Program Quality Director – Nominated Candidate**

Over the past year, serving as your Club Growth Director, has truly been an honor. I experienced growth in refreshingly, unexpected areas! Getting to know many of you on a more personal basis, working side by side to build new clubs and retain others, has been a highlight of my year!

To continue my Toastmasters journey, I welcome your support to serve in the Program Quality Director role. Coming from a family of educators and administrators, having served on the Toastmasters Leadership Institute Team, as a Chair, Trainer and all things in between, I'm excited about the possibilities! Coupled with the experience across our District, we can accomplish much... together!

As we inspire each other, I welcome your vote to be your next Program Quality Director, for the 2021 - 2022 Toastmasters Year! You... Me, WE!
