

Hello amazing Toastmasters!

I'm excited to share that I'm running for Club Growth Director of D25.

Since I have loved every part of my Toastmasters journey, I want to help make the magic happen!

I'm passionate about helping our district continue to grow and thrive by attracting new members and creating an environment where people feel welcomed, supported, and inspired to stay.

Growth isn't just about numbers—it's about energy, connection, and creating a district that people are excited to be part of. Our mission calls us to provide a supportive and positive learning environment where everyone can develop communication and leadership skills, and I want to expand that impact by reaching more people and strengthening the experience for every member.

I bring bold ideas, strong organization, and a true passion for helping people. If you're ready to see our district grow in both impact and membership, I'd love your vote!
