

Hello, my fellow Toastmasters,

Since joining Toastmasters in 2016, I have witnessed the magic of a single connection—how one conversation can transform a life, start a new journey, and ignite the potential of an entire community. This deep belief in our collective strength - that we are one community - is why I am thrilled to run for District Director of District 25, where my mission is to channel that connection into every corner of our organization.

We are at our absolute best when we move as one. When our members, clubs, and leaders are seamlessly linked and share knowledge, we don't just meet goals—we unlock the true brilliance within every club. Growth and excellence aren't just targets; they are the natural results of a district where every member feels heard, valued, and deeply connected to our shared mission.

Throughout my decade-long journey, I have learned that true leadership is the art of building bridges, the humility of listening to others, and the power of working together to achieve the extraordinary. As your District Director, I will focus on streamlining communication so every club has the resources and clarity to succeed, fostering collaboration by working hand-in-hand with our Division and Area Directors, honoring the wisdom of our past leaders while leaning into the fresh, diverse knowledge of our incoming leadership team, and encouraging purposeful growth by building a district culture that people are not only proud to join but inspired to stay in.

I am committed to leading with transparency, structured planning, and a tireless passion for our collective success. If you are ready for a District Director who will strengthen our bonds and maximize our impact, I would be honored to have your vote.

Sincerely,
Najaf Dostaliyev
District Director Candidate 2026-2027
